The worksheet features a central vertical column of numbers from 0 to 10. On either side of this column are boxes containing small cubes. The number of cubes in each box corresponds to the number it is connected to by a red arrow. The connections are as follows:

- 0: Connected to an empty box on the left and an empty box on the right.
- 1: Connected to a box with 1 cube on the left and a box with 1 cube on the right.
- 2: Connected to a box with 2 cubes on the left and a box with 2 cubes on the right.
- 3: Connected to a box with 3 cubes on the left and a box with 3 cubes on the right.
- 4: Connected to a box with 4 cubes on the left and a box with 4 cubes on the right.
- 5: Connected to a box with 5 cubes on the left and a box with 5 cubes on the right.
- 6: Connected to a box with 6 cubes on the left and a box with 6 cubes on the right.
- 7: Connected to a box with 7 cubes on the left and a box with 7 cubes on the right.
- 8: Connected to a box with 8 cubes on the left and a box with 8 cubes on the right.
- 9: Connected to a box with 9 cubes on the left and a box with 9 cubes on the right.
- 10: Connected to a box with 10 cubes on the left and a box with 10 cubes on the right.
